Consider it a sheer gift, friends, when tests and challenges come at you from all sides. You know that under pressure, your faith-life is forced into the open and shows its true colors. So don't try to get out of anything prematurely. Let it do its work so you become mature and well-developed, not deficient in any way.

Next Steps:

Lord, help me set the pace of my life – at Your pace for me. Help me not take on burdens that aren't mine to carry. Lord, I want to learn from You. Help me establish healthy relationships that will bring fulfillment. Help me remember to stop, look around and say, thank you. Lord, help me be faithful to take a Jesus' day every week.

Today I said, 'yes' to Jesus – I am now a follower of Christ.
