"UNDERGROUND" CONTINUES

Wednesday, November 3 and 17

We've gotten off to a great start on Wednesday nights for all students choosing to make the PERSONAL decision to grow in their relationship with Jesus by going **UNDERGROUND** and digging beneath the surface, and there's always room for more to join us – so if you're interested in connecting with God and your peers at a deeper level... join us Wednesdays from 7:00-8:30 PM as we go **UNDERGROUND** with real-life issues we all face in our relationships with God, family, friends and everybody else.

HOT TOPIC!

Wednesday, November 10

(The Spiritual Realm)

You'd think I would have this figured out by now, after all these years, but "you guys" continue to absolutely BLOW MY MIND with the amazing questions and topics you come up with for our monthly **HOT TOPIC!!!** nights! Our first **HOT TOPIC!!!** night of the new school year last month was amazing – you really "brought the heat" – and you provided us with a handful or excellent **HOT TOPICS!!!** for the future. One of those topics many of you wrote down was "The Spiritual Realm (Heaven, Evil Spirits, Holy Spirit, etc.)"... so that will be our **HOT TOPIC!!!** for November, especially since it closely follows what we talked about Halloween weekend. Join us Wednesday, November 10 from 7:00-8:30 p.m. over in The Filling Station as we tackle this **HOT TOPIC!!!**, and remember that all your friends and your (and their) questions and topics are welcome to be a part of this evening!

No midweek services!

THANKSGIVING!

What's this time of year like for you?? When you think of that lovely word, what comes to mind? Way too much food... football... family... turkey... pilgrims... pumpkin pie... huge naps... classic movies... snowball fights... Lucky Charms... (OK, just testing ya...)
For me - here's the short list: Patti; our families; the food, football and napping stuff; all the things I am blessed with everyday; God's amazing provision in my life; friends; YOU; and, of course, "Jesus".

I am so thankful for the amazing gifts that He has given me; not because I even came close to earning and deserving any of them, but just because He loves me - just like He loves you and wants to richly bless your life! I get to hang out with you "guys" and get to be a small part of many of your lives. I have a lovely, loving wife; a great family; wonderful friends; and all the "stuff" I will ever need! Above all that, though, I also have the greatest gift He has ever given - that one given on Christmas Day over 2000 years ago.

Please do YOURSELF a favor this Thanksgiving season - take some REAL time and think about all that you have to be thankful for... and then communicate your thanks to the One who has given it all to you! If you have that Greatest Gift - treasure it! If you don't, find out how you can get it! Your friends, Sponsors or myself would love to "hook ya up"!

Thankful for **YOU!**

Ryan ☺
